

Business Partner Parking and Set-Up Information

Note: Gold and Diamond Business Partners receive complimentary parking permits

The CFTA Conference at CU Boulder is being held on-campus to enable everyone to become familiar with the campus setting. As beautiful as this is, challenges exist in regards to parking. **You need to act by July 11th if you are purchasing on-campus parking permits (see below).** The map below will help you as you decide how to go about unloading your equipment for the conference, and retrieving it afterwards. You may also [click here](#) to visit the Parking Services Map of the entire campus.

SETUP & REGISTRATION: Lot 404, on Kittredge Loop Road just north of Kittredge Central is a metered lot. Please park here only for loading and unloading of your equipment, buying enough time to evade the meter readers! They love to put tickets on cars parked at expired meters! **Be aware that Lot 408 is right next to Lot 404 and is not metered parking. Do not park in lot 408.**

CONFERENCE PARKING OPTIONS:

- On Campus:** If you would like to park on campus for the conference, weekly parking permits for \$16 are available for lot 308. **Parking passes (for Lot 308) must be purchased via the CFTA Website by June 11th. Click [here](#) to purchase a pass.**
- Off Campus:** You may return your vehicle to the hotel after loading/unloading if you prefer and walk into campus or take the CFTA provided shuttle (from Millennium Hotel only).

Parking Passes will be **available at the CFTA Registration Table** when you arrive at the conference. The registration table will be located in the lobby at Kittredge Central for business partners from 12:00 noon until 6:00 PM on Tuesday August 2nd. Enter from Kittredge Loop Road.
