

# Campus FM Technology Association 2016 Conference

# August 2-5, 2016

## General Information

The next CFTA conference is headed to the beautiful campus of the University of Colorado Boulder!

Please join us to share your best practices while networking with fellow campus FM leaders. Presentations will cover a broad range of FM topics and showcase technologies to better support our daily operations and future campus FM goals. Business partners and guest vendors will offer their expertise with specialized and enterprise solutions, and keynote speaker, Dennis Rodriguez, will inspire you with ideas for implementing a successful BIM to GIS workflow.
