Connecting Leaders in Campus Technology

# 2017 CONFERENCE

## August 1-4, 2017

### General Information

The 2017 CFTA conference will take place at the Edgewater Hotel in the beautiful city of Madison, with our host the University of Wisconsin-Madison.

Please join us to share best practices in this very special location, while networking with fellow campus FM leaders to extend and widen our collaborative community. Presentations will cover a broad range of FM topics and showcase technologies that better support our daily operations and future campus FM goals. Business partners will offer their expertise with specialized and enterprise solutions, and keynote speaker, Paul Aubin, will offer insight that only 25 years teaching design, production, and CAD & Revit management can offer.

### Keynote Speaker

**Paul Aubin**

Author, Architectural Consultant  
Lynda.com, Paul F. Aubin  
Consulting Services
